Good News Global Outreach

Spring 2024

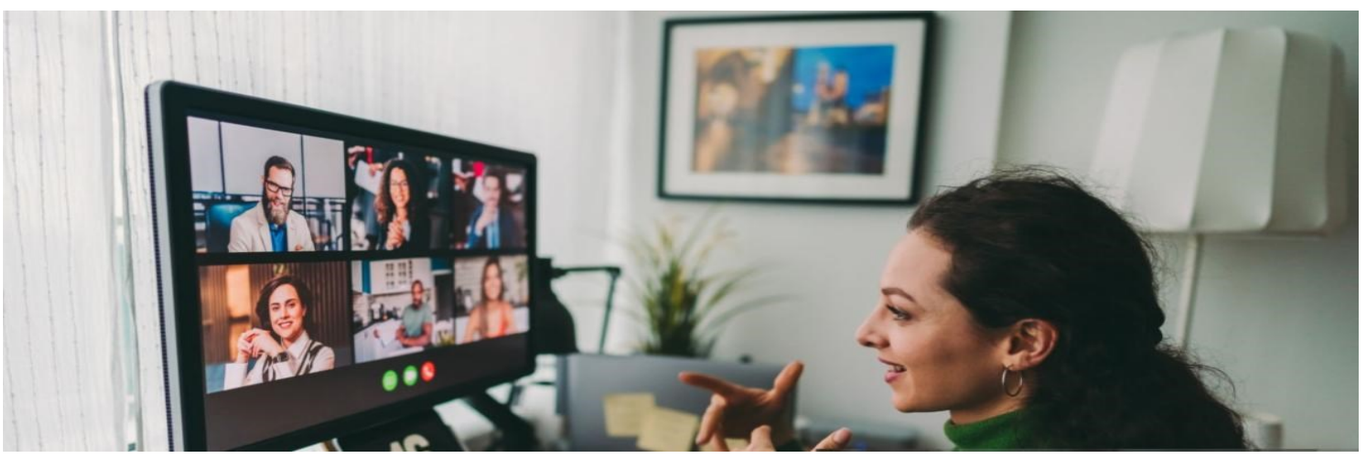

MISSION TRIP TO EUROPE

Saudi Arabia, situated in the Arabian Peninsula, stands as one of the most resistant countries to the Gospel. The consequences of sharing Christ and evangelizing Muslims there can extend to death sentences. Consequently, many individuals within Saudi Arabia have never encountered a follower of Jesus or heard the Gospel within their homeland. To address this challenge, numerous Christian organizations have devised strategies to reach Arab individuals from the Peninsula. During the summer months, hundreds of thousands of Middle Easterners, including thousands from the Arabian Peninsula, travel to Switzerland and France as tourists. Recognizing this opportunity, we are partnering with the International Mission Board (IMB) to utilize the freedom available in Switzerland to share God's love with Arabs from this Gospel-resistant region. Our mission trip is scheduled from August 3 to August 17, 2024. GNGO will contribute as part of an Outreach Team, engaging Muslims in the area, distributing Bibles and Gospel literature, and presenting the Jesus film. **The cost of this mission trip amounts to $2500.** We invite you to join us in supporting this endeavor for the advancement of the Gospel among the least reached people of the world, as we share the message of Christ with them.

MINISTRY TO MUSLIMS E-LEARNING

There are millions of Christians around the globe who are facing the challenge of Islam without any training in formal theological education. The issue arises due to the limited availability of seminaries in their home countries or access in Western regions. As widely recognized, the internet serves as a powerful means to disseminate theological education to even the most remote corners of the world, including the Muslim community. In this regard, we will initiate an online educational program aimed at equipping individuals and church leaders, both locally and globally, to effectively address the challenge of sharing the Gospel message with the Muslim world. As we work on this much needed project, please pray that the Lord will provide the resources we need. We will keep you posted regarding the development of this project.

MISSION EFFORTS IN LEBANON

The mission trip to Lebanon in 2023 was an amazing one. We held meetings for Muslim youth, evangelized Druze Muslims, discipled new believers, and trained Kurd leaders to integrate the Muslims coming to Christ in the fellowship of the church. Shining Hope, the ministry we have been serving with, is currently in the process of constructing a training center aimed at equipping Christian leaders to effectively engage with Muslim refugees in the region. We kindly ask you to participate with us in praying as we plan on joining them in this endeavor of training missionaries and evangelists to reach the growing population of refugees in the Middle East with the transformative message of the Gospel.

PARTNERING WITH FRONTIERS

In partnership with Frontiers mission agency, GNGO hosted a conference from May 17 to May 22, 2019, focused on comprehending Islam and engaging with Muslims. More than forty missionaries preparing to serve in China and various nations across the Middle East and North Africa participated in the event. Additionally, Frontiers will inaugurate a Training Center for Missionaries to Muslims in September 2024. We've been invited to facilitate the training, equipping the next generation of Christians called to the Muslim world. I'll either journey to Taipei in September or commence the training online. Your prayers for this endeavor are greatly appreciated.

RAISING A GENERATION OF LEADERS IN DALLAS

This Fall semester, I am teaching a course at Dallas Theological Seminary under the title "Qur'an and the Bible: Intersecting Themes. The aim of this course is to help students articulate a Christian theological position grounded in the Bible to respond confidently and humbly to the Qur'an's critique of Christianity. With all these opportunities the Lord has provided, we invite you to come alongside us and support us with your prayers to raise leaders for the mission field. Pray as well that we will be those laborers whom Christ has called into his field for the sake of the harvest and the lost sheep He wants to bring into His fold.

Prayer Requests

Please join us in prayer for:

- God's continued provision & guidance for GNGO.
- God to bring new Board members that are passionate for His glory to be revealed among Muslim peoples.
- Holy Spirit's presence and guidance for all upcoming events.
- Courage and boldness to the Christians in the midst of suffering and persecution.
- God will use our new website to educate Christians in Muslim evangelism and disciple Muslims in the Christian faith.
- We will live Christ before our Muslim friends.
- God's protection on staff and facility in light of the threat of terrorism
- For laborers in the Muslims field.

GNFCW Activities

Since our last newsletter, the Lord has blessed us and provided the following opportunities to serve Him in 2023

- June 2, *Mission Trip to Lebanon*, Bekaa Valley, Lebanon.
